## CHASE NURSERY COMPANY

(INCORPORATED)

CHASE, ALABAMA

HENRY B. CHASE

President

ROBERT C. CHASE, Secretary-Treasurer

# Terms and Conditions

---

## SHIPMENTS

Please state how you want your shipments made, whether by freight or express; also route. Where no instructions are given, we will ship as we think best serves your interests without assuming responsibility.

THE RISK AND COST OF TRANSPORTATION BELONG TO PURCHASER.

## CREDIT

Usual terms to parties of known responsibility. We will not accept orders until we believe the buyer is good for the account. Cash before shipment required from parties unknown to us, or references with sufficient time for investigation before shipment.

## PRICES

We quote prices per 10, per 100, and per 1,000, as our stock warrants, and will supply nurserymen and dealers at prices named regardless of the size of the order, except in cases of long assorted lists of small quantities, when an additional charge will be made to cover the extra labor involved. PRICES ARE SUBJECT TO MARKET CHANGES.

## REFERENCE

For those who do not know us we refer to any bank or business house in Huntsville, the Commercial Agencies, and the leading nurserymen of the United States.

## SPECIAL NOTICE

This list is intended for the TRADE ONLY. If it reaches people NOT ENTITLED to Trade prices, we will thank any Nurseryman or Florist to advise us, so that our mailing list may be corrected.

We do not employ agents. We do not pack dealers' orders on our grounds, and do not authorize dealers to use our name.

## BUNCHING

Fruit Trees, 1 to 2, 2 to 3, and 3 to 4 feet, are tied 25 to the bunch; all larger grades, 10 to the bunch. Please make your orders in multiples of these quantities.

WE PREPAY FREIGHT CHARGES to our distributing points—St. Louis, Mo., Rochester, N. Y., and Philadelphia, Pa.,—when shipments can be included in our regular car lots to these points.

---

FOR SHIPPING INSTRUCTIONS AND BOXING CHARGES  
SEE THIRD PAGE OF COVER

## APPLE—One Year

This list comprised of Buds and Cut Back Grafts. Buds are designated B; Grafts, G; varieties not so designated we can supply in either. Grafts were cut back to ground last Spring and have appearance of buds. All stock carefully graded—free of Aphis and all root troubles.

## RUSSIAN SEEDLINGS—

At one-third less than above prices .....

550 840 1250 800 400

WILSON DESCRIPTION:—Discovered on the Wilson (Travis) ranch near Cory, Delta County, Colorado. Probably a sport from Moorpark. Compared with Moorpark it is seven to ten days earlier; flesh is deep color; cheeks show more red; quality is richer. Larger than Moorpark.

## CHERRY—Two Year on Mahaleb

Light stock carefully graded—smooth and well rooted.

Walnut, Japan, American grown, 6 to 12 inches, seedlings.....	20 00

## APPLE SCIONS

Clean, smooth, extra length and true to name. Two years ago we budded a special block of seedlings for a stock block for propagating purposes, making a special trip to the best orchards in New England and cutting the buds ourselves from bearing trees. These scions are produced from that budding. Price per thousand F. O. B. here, \$2.50.

1100 Albemarle Pippin	400 Red June
800 Arkansas Black	800 Rome Beauty

3000 Dorothy Perkins.	500 Queen of Prairie	500 Tausendschon
2000 Madam Plantier		1000 White Perkins.

# Nurserymen's Supplies

## PROMPT SHIPMENT

All supply orders (except printed matter) are usually shipped next train after receipt. We try to carry a complete stock at all times. Our location at Chase gives us unsurpassed facilities for quick action on rush orders—two lines of railway, ten trains per day stopping here.

## KNIVES

Made especially for us by a manufacturer who is "fussy" about the quality of his output. Have used and handled these knives for twenty years.

**PRUNING—CHASES' FLAT HANDLE PRUNER**—The strongest pruning knife made, handle composed of two halves hardwood riveted through the blade which extends full length, see cut above. Full length  $7\frac{1}{4}$  inches. If you can break the handle on this knife we will replace it without cost. The metal is high-class. Price, 35c each, \$3.50 per dozen postpaid; \$3.20 per dozen by freight or express.

**PRUNING—C. A. G. PRUNER**—Stationary handle; full length 8 ins., length of blade  $3\frac{3}{8}$  ins. Handle, hardwood; blade entered deep and fastened by tang through full length of handle, making a strong knife. 30c each, \$3.20 per doz. postpaid; \$2.85 per dozen by freight or express.

**GRAFTING—C. A. G. GRAFTER ( $\frac{3}{4}$  size)**—Our sales on this knife to satisfied nurserymen and florists are more than five hundred dozen. It is more knife for grafting and general use for the money, than any on the market. Makes a good serviceable pocket knife. Cocoa handle; 25c each, \$3.00 per dozen, postpaid; \$2.75 per dozen by freight or express.

## KNIVES—Continued

**BUDDING—WOSTENHOLM I-X-L Ivory Tip ( $\frac{3}{4}$  size)**—The best budding knife we know of, and strong enough for an all-purpose knife. 75 cts. each, \$8.25 per dozen postpaid; \$8 per dozen by freight or express.

**BUDDING—CHASE'S SPECIAL Ivory Tip**—A mighty good budding knife; next to the Wostenholm, it is the best ivory-tipped knife we can find; in appearance almost exactly like Wostenholm; 60c each, \$6.50 per doz. postpaid; \$6 per doz. by freight or express.

**BUDDING—STATIONARY BUDDER** (Blade does not fold)—Note shape, size and "hang" of blade, made for budding, but not as convenient for the pocket as the others. 25c each, \$2.50 per doz. postpaid; \$2.20 per doz. by freight or express.

### WHEATSTONE

The best for budding and grafting knives.  
15 cents each, postpaid.

## PRUNING SHEARS

THE WATCH SPRING FRENCH SHEARS stand at the head of the list for making cuttings of all kinds. For cutting back seedlings to the bud or any heavy work the 9 inch is recommended.

WATCH SPRING, FRENCH, 9 INCH—Per pair postpaid, \$1.70; per dozen pairs freight or express (weight per dozen pairs 11 lbs.) \$17.00.

## PRUNING SHEARS—Continued

Extra springs for the Watch Spring French Shears, postpaid, 20 cents.

Easily put in place.

ENGLISH PATTERN, 8 INCH—One of the best made shears in the market; an extra blade with each. Heavy long brass spring that will last as long as the shears. \$1.90 per pair postpaid.

AMERICAN MAKE, 9 INCH—This is a heavy, well made pruning shear, with volute steel spring. The best low priced, all around pruning shear we can find. Weight per doz pairs, 11½ lbs. 65 cents per pair, postpaid; per doz. pairs, by freight or express, \$5.75; per half doz., \$3.00; per pair, 50c.

BOX LINING PAPER—Now universally used by progressive nurserymen; risky business to pack in unlined boxes. This paper is tough, resists a good deal of moisture, almost waterproof. Helps keep out heat as well as frost, protects contents of box from drying winds. Put up in rolls, 30, 36 and 40 inches wide, about 100 pounds in a roll. One roll of 40 inch will completely line about 27 full size cases. This is not the lowest priced paper on the market, but our experience proves it the most economical. We cannot break rolls. Per pound, 4½ cents.

AMES NURSERY SPADE—D handle, double strapped full length of handle, tapered nursery spade; size of blade 12¾ x 7½ x 5½; weight, 9 pounds. \$1.50 each, \$18.00 per dozen. SPADE HANDLES for above spade. These handles are bent to fit and riveted. 40 cents each, \$4.50 per dozen.

**IMPROVED TREE GAUGE**—Price, any quantity, 50 cents each. Made from “Sheradised” steel (a new process of treating steel); absolutely rust-proof; both sides marked alike; always right side up; guaranteed accurate to within one-hundredth of an inch; indestructible; easy to read.

**CHEMICALS FOR FUMIGATING**—Cyanide of Potash (Merck & Co.’s 98 per cent). In original sealed tin packages. 1 lb. cans, 45 cts; 5 lb. cans, \$1.85. Cyanide of Potash is excluded from the mails; but can be shipped by express or freight.

*Sulphuric Acid.* (Specific gravity, 1.83). Large, glass-stoppered bottles, securely packed in cases ready for shipment. 10 lb. bottle, \$1.20; 15 lb. bottle \$1.50. Sulphuric acid cannot be shipped by express, but can be shipped by freight.

**RAFFIA**—We use the best Raffia we can buy, regardless of its cost, because, for nurserymen’s use, the best is most economical.

Price, per pound, in lots under 10 pounds .....	\$0.13½
Price, per pound, in lots of 10 to 50 pounds .....	.12½
Price, per pound, in lots of 50 to 100 pounds .....	.11½

Write for prices on full bales of about 220 pounds. F. O. B. here.

**CORDAGE, TWINES, ETC.**—*Flax Sail Twine.* For sewing burlap; put up in skeins, per pound, 30 cents.

*Two-Ply Sisal Cord* (breaking strength 170 pounds). For heavy express bales; on reels of about 50 pounds each, per pound 10½ cts. We cannot sell less than a reel.

*Four-Ply Wool Twine.* For tying in bunches. Put up in balls of about one pound each. Packed in bales of about 130 lbs. The strongest, most uniform wool twine made. Not loaded with “dope,” will run about 260 feet to pound. In bale lots, per lb., 11 cents; in less than bale lots, per lb., 12½ cents.

*Tarred Sisal Yarn or Lath Cord.* In coils. Good for tying trees for storage or cellars. About 100 pounds to a coil. Per pound, 11½ cents.

**GRAFTING THREAD.** Put up in balls and packed 20 balls to the box. A box of twenty balls will wrap about 40,000 average grafts.

Price per Ball unwaxed.....	\$0 08
Price per Ball waxed.....	12
Price per box 20 Balls unwaxed.....	1 25
Price per box 20 Balls waxed.....	1 90
(If mailed, add 2c ball unwaxed and 5c ball waxed).	

The opposite illustration shows a ball of our grafting thread with a pencil run through the hole in the center. Many nurserymen prefer to suspend the ball of grafting thread from a wire to be unwound as it is used. We prefer to keep the grafting thread in warm water while it is being used, as described below. This can be used either way.

#### TO KEEP GRAFTING THREAD IN GOOD CONDITION WHILE USING

Put a ball of waxed grafting thread into a quart cup or pan (a tomato can will do) fill it half full of water and arrange over a lighted lamp or small oil stove to keep the water warm.

**GRAFTING WAX.**—*Formula and Directions for Waxing Thread.*—One part (by weight) tallow, two parts (by weight) pure beeswax, four parts (by weight) rosin. Put all in an open kettle and melt down. When boiling, stir thoroughly, throw in balls of thread loosely wound. When the balls sink to the bottom of kettle, the wax has gone through and they are ready to come out; when cool, are ready for use. It will require from two to four minutes for balls to sink.

**BURLAP.** We offer this season, for the first time, a real satisfactory grade of reworked, once-used Burlap. This stock has been used in the shipping of cotton piece goods. There are no old sacks or rotten stock. The "too-large" holes are well patched and the pieces are machine sewed together in one continuous length of about 100 yards. This sewing is done on a special machine and is well done. We are much pleased with this Burlap. It is as easy and as handy to use as new goods and costs about half. Put up in three widths bolts of about 100 yards each. Cannot break bolts.

Width, 32 inches; price, per yard.....	\$0 04½
Width, 36 inches; price, per yard.....	05
Width, 40 inches; price, per yard.....	05½

**NEEDLES FOR SEWING BURLAP.** Five-inch, extra quality, large eye, 40c per dozen; 5 inch common, 25 cents per dozen.

## LABELS

**IRON-WIRED.** 3½ inches, plain, 1,000 to package; 75 cents per 1,000, by freight or express. In 5,000 lots, 70 cents per 1,000; in 10,000 lots, 65 cents per 1,000.

**COPPER-WIRED.** Size same as above, add 15 cents per 1,000.

**PRINTED LABELS.** We can furnish nearly every variety covered by this trade list, but will not sell less than 100 of a kind. These printed labels are copper-wired, 2½-inch notched. Price, 20 cents per 100, postpaid; \$1 per 1,000, by freight or express; in 5,000 lots, 85 cents per 1,000.

SAMPLES OF CORDAGE, PRINTED TAGS, ORDER BLANKS, DELIVERY BOOKS, LABELS, ETC., MAILED ON REQUEST.

## LABELS--Continued

**LARGE "HEAD" LABELS.** Size, 5 x 1 1/8 inches, copper-wired, blank, painted, packed 300 in box. Price per box, \$1.10.

**LABEL WIRE.** Best copper wire, cut 7 inches long. Per lb., 50 cents.

**CHASE'S "DIG EZY" HOE.** One of the best weeding hoes for use in nursery and beds. Double riveted, well made, properly balanced. Price, each, 65 cents; dozen, \$5.50.

EXTRA HEAVY TROWEL

Solid Steel Shank  
and Blade.

This is, we think, the best trowel made. Shank is solid steel. No rivets. Will last for years. 90 cents each, postpaid; 75 cents each with other goods, by freight or express.

**STEEL BOX STRAPS.** One inch wide, 9 inches long, thin, soft steel, strong enough to hold the heaviest box. You can drive an ordinary nail through it without punching. About 2,800 pieces in 100 pounds. Less than 50 pounds, per lb. 5c; 50 pound boxes, per box, \$2.25; 100 pound boxes, per box, \$4.00.

**ALABAMA MULE SKIN MITTENS.** A leather mitten with separate sheath for forefinger, the other three fingers in one sheath. Made from mule skin, nearly as durable as buckskin, at one-fourth the cost. Single pair, by mail, 40 cts., postpaid; one dozen pairs, by freight or express, \$3.85.

**BOX MAKER'S HATCHET (Improved).** This all-metal Box Maker's Hatchet has been greatly improved this season; now has a checkered face on head, best of all, a **HEAVY STEEL RE-INFORCEMENT** in the **NECK** making it 50 per cent stronger and just the right weight. Will make as many boxes and get lost just as easily as a hatchet costing three times the price. Price, each, 40c; per doz., \$4.00; three for \$1.00.

## AUTOMATIC TACKING MACHINE

For fastening tags or cards to trees, boxes, cars, etc. The slickest little labor saver in our packing house. No hunting for tacks, no finger pricks, fumbling for hammer or lost motion. Just lay it on top of tag or card and tap the knob with palm of hand, a light tap, quick as lightning, will tag a box so quickly and easily that it is a joy to do it. Instead of round headed tacks this

little machine automatically staples the tag or card in place. Guaranteed to work on any wood. Money back if not satisfactory; will ship on thirty days trial to any responsible nurseryman. Machine guaranteed against breakage for three years. Machine, each, \$1.50; postpaid, \$1.80; staples per box of 5,000, \$1.50; postpaid, \$1.70.

NOTICE. We will give you the benefit of the DOZEN RATE on all orders for Knives, Shears, Mule Skin Mittens, etc., when ordered in half-dozen lots.

## OFFICE SUPPLIES

ORDER BOOKS. Your name and address printed, 100 orders to book, best quality, heavy glazed paper, latest form. Sample sheet free for the asking. Not less than 500. \$2.50 for 500 (5 books), postage extra; \$3.25 per 1,000 (10 books) postage extra. Postage extra 5c per book. Always give plain copy of firm name and address so that no mistake in printing will occur.

DELIVERY BOOKS. Bound in paper cover, ruled, showing name of customer, post office address, amount of order, how settled, etc. For 24 accounts, 50 cents per dozen, postpaid; for 72 accounts, 75 cents per dozen, postpaid; for 120 accounts, 85 cents per dozen, postpaid; for 168 accounts, \$1.00 per dozen, postpaid. Half dozen at dozen rates. Inexpensive and mighty handy.

SHIPPING TAGS. Printed to order, strung ready for use. Three sizes, two qualities. All have re-enforced eyelets.

### STANDARD QUALITY, RE-ENFORCED EYELETS

	(A better tag than is usually used)	Per 500	1,000
Size No. 5.	2½ x 4¾ inches, printed on one side.....	\$2 10	\$3 20
	Printed on two sides.....	3 10	4 45
Size No. 7.	2⅞ x 5¾ inches, printed on one side.....	2 15	3 30
	Printed on two sides.....	3 15	4 55

### EXTRA QUALITY, WATERPROOF, BRASS-BOUND EYELETS

	(The best tag we know of)	Per 500	1,000
Size No. 5.	2½ x 4¾ inches, printed on one side.....	\$2 35	\$3 65
	Printed on two sides.....	3 35	4 80
Size No. 7.	2⅞ x 5¾ inches, printed on one side.....	2 40	3 80
	Printed on two sides.....	3 40	4 95
Size No. 8.	3⅛ x 6⅜ inches, printed on one side.....	2 55	3 95
	Printed on two sides.....	3 55	5 25

Note the new size (No. 8) this season. This tag has plenty of room for address and Inspection Certificate on one side without crowding.

Always send copy showing how tags are to be printed. Samples on request.

SAMPLES OF PRINTED TAGS, ORDER BOOKS, DELIVERY BOOK, LABELS, AND CORDAGE MAILED ON REQUEST.

## GREAT GRIP NUT SHELLER

A REAL NUT CRACKER AT LAST

Not strictly speaking a nursery tool, but all nurserymen like nuts, and you have, like ourselves, used the old style nut crackers, pinched your fingers, smashed the meat of the nut all to pieces, lost your temper and damaged your religion. In offering this little implement we are really doing missionary work. It is a dandy. Beautifully made, will last a life-time; constructed on new and scientific lines. So arranged that the jaws with their great grip, never close fully; will receive a table nut of any size and variety, and crack the shell only, bringing out the meat whole. Will handle castana ("nigger toes") with the same ease that it shells a pecan. Heavily nickeled, an ornament to any table. Price each, postpaid, \$1.60; by freight or express with other goods, \$1.50. Money back without a word to any dissatisfied user.

## CHASE TREE COUNTER

Better than even. Prices reduced. Note the new size—a three-dial machine.

DESIGNED BY ROBERT CHASE

We now offer this great labor-saving machine in three sizes. These new machines are of the very latest type, extra heavy levers and springs, solid construction, heavily nickel plated. Guaranteed for three years. If for any reason a dial fails to work properly, send it to us to be put in order and returned without charge. The Chase Tree Counter is now used by most of the leading nurserymen.

Three-dial machine with 1,000 record cards, delivered.....	\$12 25
Four-dial machine with 1,000 record cards, delivered.....	14 00
Five-dial machine with 1,000 record cards, delivered.....	16 00
Extra record cards, correct size, printed like cut, 65c for 500; per 1,000, postpaid.....	1 10

Accurate, quick, no guess work. Place in the hands of a good man, and as he passes down the row he presses the lever which indicates the grade of the tree. When through with a variety, the dials show the total number of each grade in the block—the only method of taking a correct grade count in the field. One thousand record cards furnished with each machine.

# Shipping and Boxing Charges

## GRADES

We grade liberally by caliper and height. When both are specified, caliper measure governs, but we are careful to see that stock is uniform throughout. Our rule is: "WHEN IN DOUBT, PUT IT IN THE LOWER GRADE."

All stock is graded and bunched in our storage houses, where we have water in abundance. Stock is handled from field to these buildings under large tarpaulins and roots kept moist until boxed.

## LIABILITY AND CLAIMS

We are not liable for injury to stock from frost, hail, fire, or other causes beyond our control, and book all orders with this understanding. While we use every means at our command to secure prompt delivery, WE ARE NOT LIABLE FOR DELAYS IN TRANSIT; OUR RESPONSIBILITY ENDS UPON DELIVERY IN GOOD ORDER TO RAILWAY COMPANY. Remedy for loss must lie between the buyer and the railway company, but we will gladly render all the aid we can. Any other claims must be made immediately after receipt of stock.

## GUARANTEE OF GENUINENESS

We exercise the greatest care to keep our varieties PURE AND TRUE TO NAME, and hold ourselves in readiness at all times to replace, on proper proof, all stock that may prove otherwise, or refund the amount paid; but it is mutually agreed between the purchaser and ourselves that we shall not be liable for any amount greater than the original purchase price.

## SUBSTITUTION

We do not substitute unless instructed to do so, AND THEN LABEL TRUE TO NAME.

## CODE WORDS—TELEGRAPHIC ORDERS

When more than one grade of fruit trees is listed, a code word is used. Much expense can be saved in telegraphic orders by using these code words in connection with Nurserymen's Telegraphic Code, a copy of which will be mailed upon request.

## BOXING

Charges as low as possible for well-made boxes, paper-lined:

30 x 30-in. heads, 7 to 9 feet in length.....	\$ 2 50
24 x 30-in. heads, 7 to 9 feet in length.....	2 25
24 x 24-in. heads, 7 to 9 feet in length.....	2 00
18 x 24-in. heads, 7 to 9 feet in length.....	1 75
18 x 18-in. heads, 7 to 9 feet in length.....	1 50
15 x 15-in. heads, 7 to 9 feet in length.....	1 00
12 x 12-in. heads, 7 to 9 feet in length.....	75

On orders for roses, small fruits, etc., we can frequently use drygoods cases or shoe boxes at lower cost, and shall endeavor at all times to make lowest possible charges.

Bales, 25 cents to \$1.50, according to size.

No packing charge if loaded in bulk car.
